

ZERO HARM

Safety on the premises is the responsibility of each resident, occupant and guest. The following are a few guidelines that will ensure a safe environment for all when followed:

- Always be cautious of your property and surroundings.
- Always contact the police if there is an emergency. Do not call the answering service for security emergencies.
- Get to know your neighbors. Be able to recognize if there is a stranger in your area of the property.
- Contact the police if you see that a neighbor's safety is being threatened. Ask that they do the same for you.
- Lock vehicles at all times.
- Lock windows and doors at all times. Please contact the Community Management Office if any locks are inoperable.
- If you have to walk at night, never walk alone.
- Please refer to your Resident Guide for additional personal safety information.
